Act

LETTER FROM THE CEO

Dear Partners, Supporters, and Stakeholders,

As we reflect on 2025, I am filled with immense gratitude and pride for what we have accomplished together. This year has been a testament to the power of partnership, resilience, and collective action in addressing some of the most pressing humanitarian and development challenges facing Pakistan.

At ACT International, we remain guided by a simple yet powerful vision: a tomorrow where everyone has opportunities to prosper. Through our dedicated teams, trusted partners, donors, and community stakeholders, we have continued to transform this vision into meaningful action, reaching millions of individuals and families across the country.

Over the past year, our interventions have strengthened food security for vulnerable households, improved maternal and child nutrition, expanded access to life-saving health services, promoted life skills-based education, empowered youth through psychosocial support and counseling, enhanced disaster preparedness, and created pathways for sustainable livelihoods. Behind every statistic lies a human story like a mother able to provide for her family, a young person finding hope and guidance, a community rebuilding after crisis, or a child gaining access to opportunities for a brighter future.

Our commitment to inclusion remained at the heart of everything we do. We continued to champion the rights and participation of women, youth, persons with disabilities, marginalized communities, and those most at risk of being left behind. We firmly believe that sustainable development can only be achieved when every individual has the opportunity to contribute, thrive, and realize their full potential.

The challenges confronting our communities are increasingly complex. Climate-induced disasters, economic pressures, health inequities, and social vulnerabilities demand innovative and collaborative solutions. In response, ACT International has strengthened its institutional capacity, embraced evidence-based programming, and expanded strategic partnerships to ensure that our interventions are both impactful and sustainable.

I extend my deepest appreciation to our donors, government counterparts, development partners, civil society organizations, community leaders, and dedicated staff whose unwavering support has made these achievements possible. Your trust continues to inspire us to pursue excellence, accountability, and innovation in every aspect of our work.

As we look ahead, we remain committed to scaling impactful solutions, strengthening community resilience, investing in human capital, and advancing inclusive development across Pakistan. Together, we will continue building stronger communities, creating opportunities, and shaping a future where prosperity, dignity, and resilience are accessible to all.

Thank you for being part of this journey.

Sincerely
Mubashar Nabi

HR SPOTLIGHT

Hameed Satti- Consultant

LSBE specialist

Hameed Ullah is a seasoned Humanitarian and Development Expert with over 20 years of international experience in designing and delivering large-scale capacity building and training programmes across Asia, the Middle East, and Africa. A certified mental health professional, he holds specialized training and certifications from the Medical University of South Carolina and Johns Hopkins University.

Hameed is a professional member of the American Psychological Association (APA) and the International Association of Applied Psychology (IAAP), and serves as an External Expert with the European Union Agency for Asylum (EUAA), contributing expertise on migration, protection, and integration.

Zahid Abdullah-Consultant

Gender specialist

Zahid Abdullah is a seasoned gender and social inclusion expert with more than two decades of experience in disability rights, accessibility, and inclusive development. Having navigated his professional and academic journey after losing his sight, he brings a unique perspective to advancing equity, participation, and rights-based approaches for marginalized groups. As a trainer, researcher, and advocate, he has contributed extensively to promoting inclusive policies and practices that address systemic barriers faced by women, persons with disabilities, and other vulnerable communities.

SUCCESS STORIES 1

This support helped me continue my treatment and manage food needs. Starting a small activity, even at this level, has given me hope and some independence despite my illness.

Asifa Sultan

SUCCESS STORIES 2

Our home was destroyed, but I refused to let my business be destroyed too. Thanks to the support provided by ACT, I was able to buy back the same items that the children loved,” she said with a proud smile.

“It made me feel normal again” - Zainab Bibi

“When floodwaters surrounded us and food became almost impossible to find, every meal felt like a blessing. I worried every day about how I would feed my children. Thanks to the food assistance we received, my children no longer have to go to bed hungry. Tonight, they will sleep with full bellies and smiles on their faces. As a father, that means everything to me.”

Helping underprivileged and often undernourished mothers understand the importance of nutritional supplements for their unborn babies is not always easy. It takes patience, trust, and continuous support, but seeing healthier pregnancies and stronger newborns reminds us that every effort is worth it.

FC staff - lahore

BANAZIR NASHUNUMA PROGRAMME

Donor: World Food Programme

Location: Lahore & Sahiwal

Pakistan faces a severe malnutrition crisis, with 40.2% of children stunted, 28.9% underweight, and 17.7% experiencing wasting, ranking the country as having the second-highest burden in the region. The first 1,000 days of life present a critical window of opportunity for a child's neurological and physical development, laying the foundation for lifelong well-being and economic productivity. Investments during this period are essential for building human capital, a key driver of national development.

To combat stunting in this crucial phase, BISP introduced a Conditional Cash Transfer (CCT) intervention to enhance the uptake of essential health and nutrition services among its beneficiaries. The Nashonuma Programme was approved by the Technical Design Committee and reviewed by the BISP Board in its 34th meeting.

ACT International effectively implemented the Benazir Nashonuma Program (BNP) across four districts of Lahore Division and three districts of Sahiwal Division, Punjab, covering Social Mobilization activities and Facilitation Centre (FC) operations through a streamlined, performance-driven operational framework.

Donor

World Food Programme

Project Overview

The "Leveraging Pakistan's Social Protection Programme for Adolescent Girls' Nutrition" (SOPRAN) aims to address the issue of micronutrients' deficiency in a child below 5 and girls between 10 – 19 through targeted interventions.

The e-Voucher pilot project in Islamabad, Faisalabad and Quetta is designed to bridge this gap by providing a subsidized digital voucher for fortified wheat flour to BISP enrolled households. Each beneficiary will get voucher worth of 30\$ to purchase fortified flour in 4-7 cycles.

The cheque disbursement ceremony for the first installment to UNIDO grantees in Thatta was more than a formal event. It reflected our commitment to standing alongside the people of Thatta as they work to rebuild livelihoods and create sustainable enterprises. Through this support, we are investing in local entrepreneurship, fostering economic resilience, and empowering communities to build a stronger future.

Provision of Micro-Grants Through Implementation Partners Under the PAIDAR Programme- Sindh

Location- Thatta
Donor: UNIDO

Project Overview

ACT International, in collaboration with UNIDO and funded by the European Union, is driving the PAIDAR project in Thatta to empower marginalized communities through micro-grants for both cooperative and individual enterprises. This initiative aligns with the Sindh Government's Poverty Reduction Strategy, focusing on sectors like Enterprise, Fisheries, Agricultural By-products, and Livestock By-products.

ABOUT NYHL

The National Youth Helpline (NYHL) is a nationwide confidential support platform providing psychosocial counseling, reproductive health guidance, crisis intervention, referrals, and emotional support services for youth across Pakistan.

7,388

4,004

Callers with Disabilities

200+

800+

Positive Feedback Reports

KEY ISSUES ADDRESSED

Frequent concerns: stress, depression, suicidal ideation, abuse, addiction, academic pressure, family conflicts, and reproductive health awareness.

REACH & ENGAGEMENT

REGIONAL COVERAGE

COUNSELING & REFERRAL SERVICES

Anonymous, culturally sensitive, and evidence-based counseling delivered through trained bilingual counselors. A structured referral system connects callers with mental health, legal aid, medical, rehabilitation, and protection services.

AWARENESS & CAPACITY BUILDING

Digital campaigns, university collaborations, workshops, and community outreach activities promoted mental health awareness and help-seeking behaviors. Continuous staff training covered crisis intervention, suicide prevention, ethical counseling, reproductive health, and gender sensitivity.

OVERALL SUMMARY

NYHL has emerged as a trusted national initiative strengthening youth mental health, emotional resilience, and psychosocial support systems across Pakistan. Growing demand and positive outcomes highlight the need to sustain and expand NYHL nationwide.

INDEPENDENT AUDITOR'S REPORT TO THE MANAGEMENT

Opinion

We have audited the annexed financial statements of **AIMING CHANGE FOR TOMORROW (ACT) INTERNATIONAL** (the Organization), which comprise the statement of financial position as at June 30, 2025 and the related income & expenditure account, the statement of changes in funds and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at June 30, 2025 and its financial performance, its cash flows and changes in funds for the year then ended in accordance with the approved accounting and reporting standards for non-profit organizations as applicable in Pakistan.

Basis For Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities Of The Management For The Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the approved accounting and reporting standards for non-profit organizations as applicable in Pakistan and the relevant provisions of the Funding Agreement between the Principal and the Organization and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibilities For The Audit Of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a

3/5/25

Other Offices: Lahore - Karachi - Gajrawala
A member firm of MGIL, a network of independent accounting, audit, tax and consulting firms worldwide

mgilworldwide

Ilyas Saeed & Co.
Chartered Accountants

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these financial statements.

As part of an audit, in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report related to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence up to the date of our auditors' report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transaction and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
